The Association shall be formed and function according to the terms of the Articles of Incorporation and the By-Laws. Notice of the effective date of formal establishment of the Association shall be filed at the office of the County Clerk, Tulsa County, Oklahoma, and indexed to the plat of Southern Pointe Four. Members of Southern Pointe Homeowners Association shall establish the dues of the Association. They will be no more than the minimum amount necessary to maintain the Reserve Areas of interest to the membership, and to conduct the business of the Association.

2. Architectural Committee:

(A) An architectural committee will be formed to review and approve any structure to be built on any lot and shall also be responsible for interpreting the development and construction standards contained herein. E. A. Schermerhorn and Greg D. Breedlove shall be the designated Architectural Committee. Each of them may appoint a single additional member. At a point mutually agreeable to the Southern Pointe Homeowners Association and the developers, a duly elected Architectural Committee shall be formed consisting of members of the Association.

(B) No building shall be erected, placed, or altered on any lot in this subdivision until the building plans and specifications therefore, exterior color scheme and material thereof, and plot plan, which plot plan shows the location and facing of such building, have been approved in writing by a majority of an architectural committee composed of E. A. Schermerhorn and Greg D. Breedlove or their duly authorized representative, or successors. In the event of the death or resignation of any member of the above named committee, the remaining member or members shall have full authority to approve or disapprove such plans, specifications, color scheme, materials and plot plan, or to designate a representative or representatives with the like authority, and said remaining member or members shall have authority to fill any vacancy or vacancies created by death or resignation of any of the aforesaid members, and said newly appointed member shall have the same authority hereunder as their predecessors, as above set forth. The Architectural Committee's purpose is to promote good design and compatibility within the subdivision and in its review of plans or determination of any waiver as hereinafter authorized may take into consideration the nature and character of its proposed building or structure, the materials of

which it is to be built, the availability of alternative materials, the site upon which it is proposed to be erected and the harmony thereof with the surrounding area. The Architectural Committee shall not be liable for any approval, disapproval, or failure to approve hereunder, and its approval of building plans shall not constitute a warranty or responsibility for building methods, materials, procedures, structural design, grading or drainage or code violations. The approval or disapproval or failure to approve of any building plans shall not be deemed a waiver of any restriction, unless the Architectural Committee is hereinafter authorized to grant the particular waiver. Nothing herein contained shall in any way be deemed to prevent any of the owners of property in this subdivision from maintaining any legal action relating to improvement within this subdivision which they would otherwise be entitled to maintain. The powers and duties of the committee or its designated representatives described in his covenant shall thereafter exercise the same powers as previously exercised by this committee.

The captions herein contained or otherwise appearing are for the sake of convenience only and each instrument shall be construed as an entity and the pertinent sections of all instruments as a whole. The invalidity of any phrase, clause or provision herein contained shall not serve to render the balance of this instrument as void, unenforceable, and the same shall be thereafter construed as if such phrase, clause or provision were not herein contained, or otherwise give maximum effect to the intent of the undersigned. This failure of the grantor, or any successor in title, to enforce any given restriction or covenant, or conditions at any time or from time to time, shall not be deemed to be a waiver of relinquishment of any right or remedy, nor a modification of these restrictions and protective covenants. In matters pertaining to the appearance of specific homes in Southern Pointe Four, and the overall appearance of Southern Pointe subdivision, The Architectural Committee shall be responsible for interpreting these covenants or deciding the standard to be used in the event a covenant becomes invalid or unenforceable.
